

SightLogix Appoints Coaxial Systems as Manufacturer's Representative for Florida and the Caribbean

Princeton NJ – June 16, 2009 – SightLogix, maker of outdoor [video analytics](#) cameras for wide-area [perimeter security](#), has named Coaxial Systems Associates (CSA) to serve as Manufacturer's Representative in Florida and the Caribbean , it was announced today.

Recently relocated to new headquarters in Jupiter, Florida, CSA provides coverage in many areas of its home state and throughout the Caribbean, including bilingual representation in Puerto Rico and other Spanish-speaking areas.

In making the announcement, Dan Hearn, SightLogix vice president of sales, noted that “CSA has provided its customers and vendors with excellent support for nearly 30 years, and has been a leader in bringing enhanced security technology to this important region. SightLogix is proud to add its name to the list of industry leaders they represent.”

Recognized as a leader in [video surveillance](#) systems that provide efficient, cost-effective management of outdoor perimeters and buffer zones, SightLogix' [intelligent video surveillance](#) systems have been deployed around the world to meet the serious security needs of the transportation, energy, utility, chemical, information technology, public safety and defense industries.

About SightLogix Inc.
