

SightLogix Appoints Vihon Associates as Manufacturer's Rep for the Southeastern U.S.

Princeton NJ – June 17, 2009 – SightLogix, maker of intelligent [video analytic](#) sensors for [critical infrastructure protection](#), today named Vihon Associates to serve as Manufacturer's Representative in the states of North Carolina, South Carolina, Georgia, Alabama, Mississippi, Tennessee, and Louisiana.

Founded in 1973, the rep firm maintains regional offices in Tullahoma, Tennessee, Mandeville, Louisiana, Roswell, Georgia and Rock Hill, South Carolina. The Vihon organization, which specializes in surveillance and access control systems, is recognized for their strong technical support of dealers, distributors, installers, engineers, architects, designers, consultants and systems integrators.

The Vihon appointment was announced by Dan Hearn, SightLogix vice president of sales, who described the rep firm as "among the most innovative and tech savvy in its field. With their experienced staff," Hearn continued, "Vihon excels at demonstrating technology solutions to integrators and end users. We're pleased that they will now represent SightLogix [perimeter security](#) products in this important geography."

Recognized as a leader in automated surveillance systems that provide efficient, cost-effective management of outdoor perimeters and buffer zones, SightLogix' [intelligent video surveillance](#) systems have been deployed around the world to meet the serious outdoor security needs of the transportation, energy, utility, chemical, information technology, public safety and defense industries.

About SightLogix Inc.

SightLogix mission is to provide pre-emptive, [automated outdoor surveillance](#) systems to protect critical infrastructure and key assets. The company's open-architecture, Intelligent Video Surveillance system provides full situational awareness to increase both the effectiveness and efficiency of security manpower.
